SINCE 1905, MAKING TAPS IN ITALY

Ogni linea, ogni  
curva, ogni  
singolo elemento  
racconta la storia  
di un marchio  
che rappresenta  
l'essenza del  
Made in  
Italy: qualità,  
affidabilità,  
design.

Progettiamo e creiamo rubinetteria italiana.  
Bella, funzionale, curata in ogni dettaglio.  
Teorema è il marchio impresso su un  
prodotto realizzato con i migliori materiali  
che sfidano il tempo e che si distinguono  
per i particolari.

We project and create Italian taps.  
Beautiful, functional and carefully  
studied.  
Teorema is the brand printed on  
a product, created with the best  
materials which challenge the time and  
distinguish themselves for the details.  
Every line, curve and element tells the  
history of a brand, which represents  
the essence of the Made in Italy:  
quality, reliability and design.
